

**NOTICE OF PUBLIC HEARING  
CLEARWATER RIVER WATERSHED DISTRICT BOARD OF MANAGERS  
SCHOOL SECTION LAKE MODIFIED OUTLET CONTROL PROJECT #17-1**

On September 6, 2017, at 6:00 pm, at the City Hall, Annandale, MN, the Clearwater River Watershed District ("District") Board of Managers will hold a public hearing under Minnesota Statutes §103D.745 to consider adoption of a resolution ordering the establishment of the above-named project. The purpose of the project is to modify an existing outlet control structure to incorporate a permanent ice barrier. An engineer's report as well as a benefits and damages determination report are on file and available for public inspection at the District office, 75 Elm Street East, Annandale, MN 55302. A list of benefited properties and property owners appears below. No properties will be damaged by the project. You are invited to appear and show cause why the District Board of Managers should not order the establishment of the project.

BY ORDER OF THE BOARD OF MANAGERS FOR THE CLEARWATER RIVER WATERSHED DISTRICT  
Robert Schiefelbein, President
